## GATHERING OF THE DEMOCRATIC CLANS

Very Warm Time Is Expected in Altoona Tomorrow.

AUDGE GORDON AT THE LAST MIN-THE SUMMONED TO THE FIELD TO TAKE COMMAND OF HIS FLUC-TUATING BOOM-JENKS THE PROB-ABLE NOMINEE - CAPTAIN DE LACEY'S PROSPECTS BRIGHT.

Altoons, June 27 .- "There'll be a hot time in this old town" on Wednesday unless the rival Democratic factions settle their differences before the meeting of the state convention. The liveliest kind of a contest is being waged between the friends of Judge James Cay Gordon, of Philadelphia, and George A. Jenks, of Brookville, for the gubernatorial nomination. Both sides. claim they will win, although indications point to the success of Jenks. Colonel James N. Guffey, of Pittsburg, controls the majority of the delegation and it is admitted he will name the winner. He is pledged to Jenks.

Ex-Congressman James Kerr, of Clearfield, and D. A. Orr, of Harrisburg, have charge of the Gordon boom. \ One bottle Munyon's Kidney Cure com-Mr. Kerr sent the following telegram tonight to Judge Gordon:

The question of locality is being raised in the matter of the nemination, which it is claimed ought to go to the west. Will you give us your views on this point? To this query Judge Gordon answered as follows:

The centest on nordantlen should not turn on the personal merits or the priquestion of locality. The standard beaver of reform has the whole state for his parish. Your appeal should be made to the archought machood of the convention; to the delegates who own themselves; to Democrats who place the success of the ticket and the cause of good government love the fortunes of individuals and the factional control of ambitious leaders, (Signed) James Gay Gordon.

ATTRACTING MUCH ATTENTION. The contest waging for first place on the ticker is attracting the attention of the Democrats throughout the country. That this is true is evident from a telegram received today by Mr. Kerr from Congressman Bailey, the Democratic leader of the house of representatives. Congressman Bailey advised

Every advantage should be taken of the unti-Quay sentiment and candidates nominated accordingly.

Neither of the candidates for governor is here. Mr. Jenks is expected during the night. Judge Gordon will be here tomorrow, having been hastily summoned by his managers tonight. His managers have established headquarters at the Logan and Altamonte hotels, with branches at a half dozen smaller hotels. They have adapted a very pretty little badge of blue ribbon on which was printed in gilt "Fidelity, honor, courage." This is fastened to a button bearing a likeness of the candidate surrounded with a miniature flag in the background. The Philadelphia delegates are divided on the head of the ticket on a ratio of about four to one in Gordon's favor.

#### JENKS' BOOMERS.

W. L. McCracken, of Brookville, has charge of the Jenks headquarters at the Logan house. His chief lieutenants are John S. Rilling, of Erie, the nominee for licutenant governor four years bairman James A Stranahan, of Harrisburg. Colonel Guffer is expected here during the night to assist in the management of the Jenks boom. Mr. Stranahan says there is no doubt of Jenks' nomination. State Chairman John M. Garman, a delegate from Luzerne county, is of the same opinion. He declined to give out a statement as to the prebable result of the convention. He said, however, that he is for Colonel Guffey first and Jenks second and that under no circumstances will be vote for Judge Gordon.

REST OF THE TICKET.

The make-up of the rest of the ticket will hardly be settled until it is certain who will be the nominee for governor, E. W. Bacon, of York, was thought to have the best show for lieutenant governor until this afternoon, when the Jenks managers came out squarely for ex-Congressman William H. Sowden, of Allentown. Sowden reached here tonight and is making an energetic canvass. A. V. Dively, of Altoona, is also a candidate.

Colonel William Haves Grier, of Columbia, is the favorite for secretary of internal affairs. The old soldiers are backing him. He carried a gun for three years in the old Pennsylvania reserves during the Civil war, is prominent in Grand Army of the Republic circles and has been a Democratic editor for over twenty years. If Bacon is nominated, the nomination for secre-

Women who are approaching motherhood with a sense of fear and solicitude, or in a weakened physical condition, need the help of that marvelous "Favorite Prescrip-tion," invented by Dr. R. V. Pierce, chief consulting physician of the Invalids Hotel and Surgical Institute, Buffalo, N. Y., and and Surgical Institute, Burnato, N. It takes away all of the danger and most of the pain attendant upon motherhood, and confers on the baby that lusty hardthood which is a joy to a mother's heart

that lusty hardihood which is a joy to a mother's heart.

An Ohio lady, Mrs. Lefa Hoffmire, of Clarington Monroe Co., in a letter to Dr. Pierce, says:

Could not stand it to be on my feet from at a time without swelling dread fully. Before my last baby was born. I had every symptom of a return of the trouble. My leg swelled hadly. Mr. A. E. Herzog, Violetteville, Baltimore, Md., says: "Thought my schild would suffocute with sore throat and fever. Munyon's Remedies restored her to health in twenty-four hours. They have kept my children alive on two different occasions."

Wall Street Review.

New York, June 23.-The character of he market for securities was very little changed today from that recently prevailing. Railread stocks were neglected and with few exceptions drifted to a lower price level, the demand being finatherent to absorb even the small offerings. The exceptions were the Vandernits and Rio Grande which showed some strength. Meantime individual specialties were taken up and pushed forward independently to a higher level without regard to the general tendency in the market and without influence upon it. There was a sharp drive against Sugar and People's Gas in the opening transactions which reduced their prices mear 1 per share. This was apparently with a purpose of the part of the bears to put a stop to the upward tendency to some of the speciales. But the industrial stocks continue losses and Suggr and People's Gas were allowed to recover. Tobacco, the rub-ber stocks, spirits, preferred, Puli-man, Third evenue and Brooklyn Tran-st all shower marked strength at one time or another, the latter advancing to near 55 on the very heavy buying in the Furnished by WILLIAM LINN ALLEN & CO., stock brokers, Mears building, rooms 705-706.
